ProSlate™

Authentic All-Weather Clay Roofing Tiles

US Tile's All-Weather tiles are specially designed to weather the harsh conditions of Freeze and Thaw. These tiles absorb less water than traditional tiles, minimizing the effects of severe climates.

- Slate, Wood Shake and Mission Profiles
- Grade 1 - All-Weather Rated
- Color Fast, Will Not Fade
- Class "A" Fire Rated
- Proven Durability
- Lifetime Warranty*
- 100% Recyclable

US Tile is committed to continue to make new Grade 1 products available for all segments of US market so customers across the country will have access to the widest variety of authentic, durable clay roof tile.
