

Romano Pans

Romano Pans were one of the earliest profiles of clay tile used for roofing by the ancient Greeks. Featuring a flat bottom with raised sides, they represent classical European aesthetics and style, and allow for design flexibility.

El Camino Blend

Standard Red

US Tile Romano pans are available in Standard Red and El Camino Blend colors and are backed by our industry leading Limited Lifetime Warranty that includes No-Fade and Labor coverage*. Romano Pans can be used with Standard 2-Piece Mission, Monarch and Cielo profiles.
