## *The Real 'S' Tile*

The elegant design and intrinsic beauty of the Real "S" Tile gives a natural look for homeowners or architects using a stylish medium with lasting protection against most weather conditions. **Unparalleled Beauty** – No other roof gives the elegant sophistication of the Real "S" Tile roof. The clay roof will enhance your property value like no other. **Adaptable Roof Design** – The Real "S" Tile can be adapted to suit most of your design requirements for domestic or commercial use. **The Affordable Luxury of Clay** – The distinctive design of our Real "S" Tile combines traditional two-piece mission tile into one, resulting in fewer pieces per roof and substantial cost savings. **The Art of Clay Tile** – The art of making clay tile has evolved from a time when ancient artisans formed wet clay over their thighs and then fired them in the glowing embers of a bonfire resulting in beautiful natural colors like our Red, Fume, Brown, Peach, Caramelo and Chocolate finishes.

Backed by an unsurpassed Transferrable Lifetime Limited Warranty\* with additional limited no-fade protection, the Real "S" can be installed anywhere without concern for extreme sun exposure or salt intrusion.
